

OUR SERVICE IS OUR **ONLY** CONTRACT

Mat Processor

Role

In this full-time role, a Mat Processor will inspect and roll cleaned mats and place them on designated shelves so they are ready for delivery.

Responsibilities

A Mat Processor will unload mats from the dryer conveyor, roll mats and place in designated storage areas, and identify any repairs that are needed.

Skills & Values

This position requires a strong work ethic, physical endurance, willingness to work with a team or as an individual as needed and good communication with others. The individual will also strive to fulfill the company values of honesty, integrity, excellence and relationships.
